Our clients:

- children, teenagers and adults from abroad
- students
- parents
- teachers
- other professionals

„Bildungsberatung International“ (Educational Counselling for People from Abroad) as part of „Bildungsberatung“ of the City of Munich is an affiliate of „Institute for Professional Development in Education – Centre for Municipal Education Management“ of the Department of Education and Sports“.

Our counselling service is free of charge, strictly confidential and comprehensive.

We provide:

- counselling
 - on the phone, online and in a face- to- face setting
 - with or without previous appointment
- informational events on the specifics of the Bavarian school system
 - for parents
 - for students
 - for professionals
- information material

Our counselling services comprise the following areas:

- schooling options, vocational training, university and work in Bavaria
- school enrollment requirements
- transfer of schools and the transition after primary school
- specific regulations and offers for non proficient foreign students
- German language courses
- tutoring for students
- how to achieve higher qualifications
- information on the recognition process of foreign qualifications
- collaboration with other institutions and agencies
